

Portable Table Lamp Cannes

ITEM NO: 4935

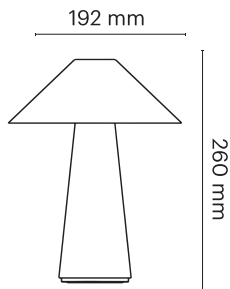

- ① Turn on the lamp by slightly touching the top of the lamp. Touch the top again to turn off the lamp.
- ② Keep touching the top for at least 2 seconds to dim the brightness up or down.

- ③ Charge the lamp when the indicator light turns to red, which indicates low battery capacity.
- ④ The indicator light will turn to green when the battery is fully charged.

Watt	Input	Kelvin	lm	Ra	Battery	IP Rating
1.5W	5V/2A	2700k	100	95	4000mAh	IP44
