

Hoptimist[®]

SINCE 1968

Make every day a little more joyful

Sales Catalogue — AW 2021

We are proud to be a part of the Danish Design tradition.
Each Hoptimist is designed in Denmark in the spirit of
Gustav Ehrenreich's vision.

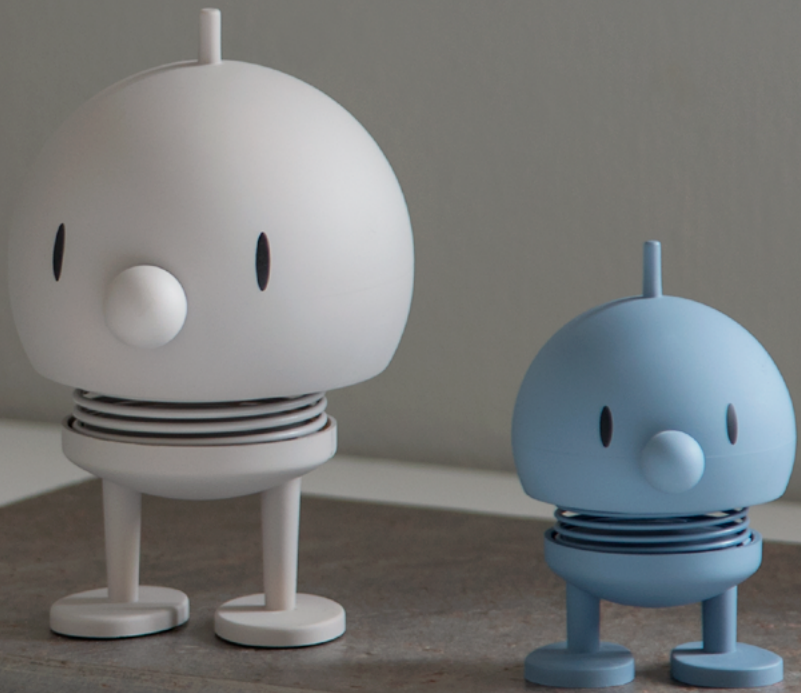

Make every day a little more joyful

A Hoptimist is all about smiles, optimism and high spirits.
Give a Hoptimist and experience the joy of giving. Gustav Ehrenreich
created the first figures in the late 1960s, which have gone on to earn
themselves a place in Danish design history.

Today, the happy movement consists of a wealth of happy, brightly
coloured Hoptimists for every occasion.

Make everyday a little more joyful

Gustav Ehrenreich created his Happy Movement in the late 1960s. Since then, his Hoptimists have gone on to earn themselves a part in Danish design history.

With the creation of the Hoptimists, it was Ehrenreich’s wish to create an eternal reminder to stay positive and optimistic!

Now every Coffee or Tea break is a reminder of this.

No two Hoptimists are exactly the same.

Each and every Hoptimist is hand assembled and therefore they each have some degree of uniqueness.

You can be absolutely certain, that all Hoptimists are equally Joyful, however they may have smaller variance in height, direction etc. This is due to spring variations and the individual assembly.

If you are unlucky to receive a Hoptimist, that is not up to standard, or have suffered damage during transport, we are here to help you, by replacing or crediting the product.

Please send us a short email on claims@hoptimist.com. If you are able to attach pictures, we do appreciate it greatly. We are keen to learn from our mistakes and pictures help us to fully understand the issue at hand.
