

Kip Desk

Designed by Simon Legald for Normann Copenhagen

A universally complementary table design

Experience the effortless union of timeless design and quality materials characterized by Normann Copenhagen's new Kip Desk, a masterpiece of simplicity and durability. Crafted with meticulous attention to detail, this elegant desk is built to withstand the test of time. Its base, constructed from powder-coated steel, is available in two classic colors of Black or Grey, while its tabletop is offered in a range of solid wood options, including pine, brown stained pine and solid oak, all protected with a maintenance-free UV lacquer.

Kip Desk's slender base exudes sophistication, while its universal height ensures a perfect fit for any work space. Inspired by traditional craftsmanship and minimalism, this table embraces honest materials and a robust construction. Its humble design blends effortlessly with any interior, making it a stunning, complementary addition to all kinds of home offices, dining areas, kitchens, vanity spaces, or anywhere a sleek and harmonious table is desired.

Connecting People and Spaces

Since Normann Copenhagen's foundation in 1999, our ambition has been to challenge conventional thinking and make the ordinary extraordinary through great design. By combining the craftsmanship, functionality and endurance characterized by our Danish design heritage with modern silhouettes and durable materials, we aim to create original products in a contemporary design that withstand the test of time. We believe in uniting people and spaces across the world and improving the quality of people's lives through the power of great design. Our products combine functionality and design and accommodate the diversity of needs of modern life in residential and professional interiors alike.
